## Features

### • Optical Gaming Sensor with Adjustable DPI

Minos X1 comes with an accurate and adjustable gaming sensor that allows you to adjust its DPI level (500/1000/1500/2000) on the fly with a dedicated button. Lower the DPI to obtain a more accurate control, or raise it to have faster mouse movements!

### • Dual Zone Backlight

A gaming mouse has to look the part, and Minos X1's two zone backlight provides you with the perfect gaming atmosphere.

### • OMRON Switches

Rock-solid reliability and a long useful life will allow this mouse to serve you well for a long time.
