DarkBlader X7
Distinctive RGB Mid-Tower Case

Distinctive Style with Superior Airflow

DarkBlader X7 refined wedge-form and asymmetrical design bring a unique and modern style with ARGB strip to display amazing lighting effects.

Enjoy the Dazzling RGB Show

The integrated lighting button with built-in LED controller allows DarkBlader X7 to display amazing lighting effects. It can also work to a compatible motherboards' 5V ARGB connection for system-wide lighting synchronization. The powerful lights come out of stylish panel and the reflective surroundings helps reinforce the RGB effects.
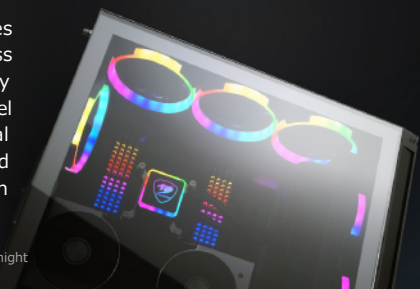

* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

Massive Tempered Glass Left Panel

With the full-length PSU cover hides cables and a massive tempered glass left panel presents a clean and tidy build, you can easily build a pro-level system. Furthermore, we use metal frames, instead of drilling tempered glass with 4 holes in corners, which helps to upgrade the durability.

* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

Vertical GPU Support

This revolutionary case is both about performance and aesthetics. To bring your system's awesomeness to the limit, DarkBlader X7 supports vertical GPU installation.

* Please choose either of a Vertical Graphic Card or 2.5" SSD trays on the PSU cover to install.
* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.

Top-notch Gaming Hardware

To offer top-notch performance, DarkBlader X7 is able to house a mighty build. Its excellent support for up to 340mm-long graphics cards and E-ATX motherboards bring you unprecedented freedom of hardware system.

* Top fans and radiators are optional, specifications might vary depending on the country or region of sale.
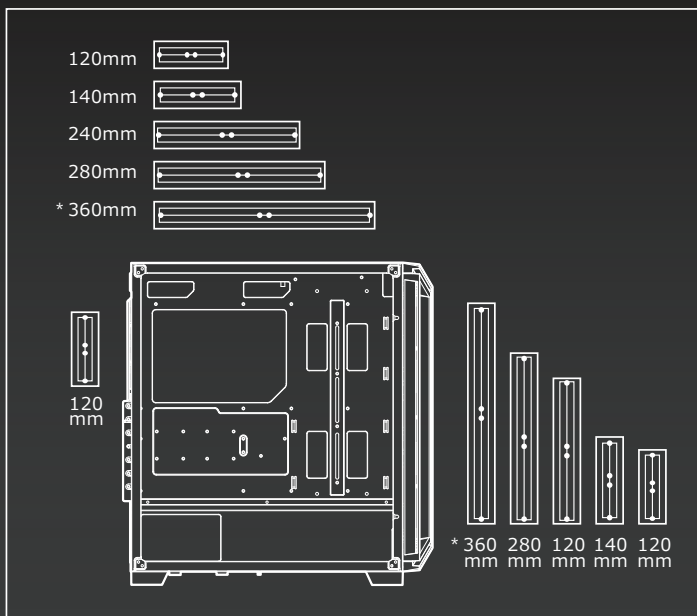

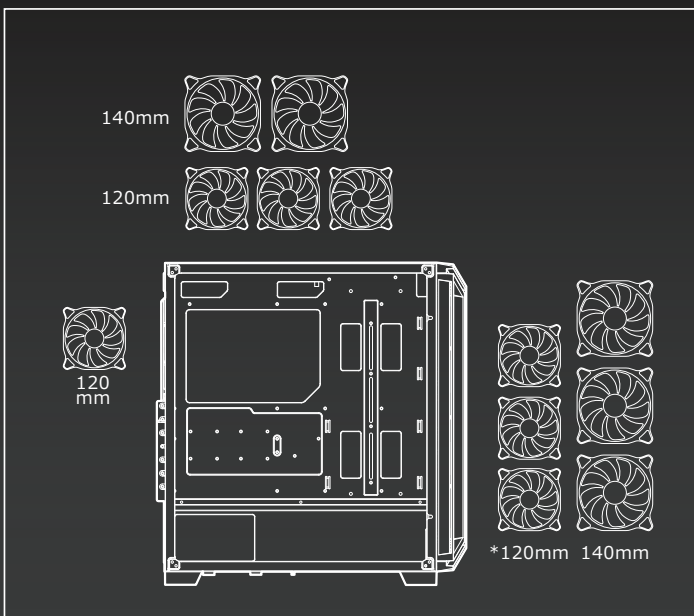

Superior Cooling

With great support for up to 360mm water cooling radiator and seven fans, you will enjoy superior cooling horsepower to keep advanced components safe from overheating.
